Law Absolute Payroll Team

Why Choose Law Absolute?

At Law Absolute, payroll isn't outsourced, it is handled by a dedicated in-house payroll and finance team committed to delivering accuracy, compliance, and a truly personal service.

A Personal, Responsive Service

Our payroll team is small, ensuring direct access to a contact during working hours. There are no call centres and no handovers — queries are handled by experienced professionals who know our workers and build lasting relationships with our clients. This means faster responses and clearer communication at every stage of the recruitment process.

Fully Integrated with Our Recruitment Teams

Our payroll and recruitment teams work closely together, ensuring timesheets, pay rates, and contracts align. This integrated approach reduces errors, streamlines processes, and supports a smooth end-to-end service for both clients and candidates.

Flexible, Efficient Timesheet Management

We offer a dedicated online timesheet portal, which can be customised to suit individual client requirements.

- Line managers can review and approve timesheets with a single click
- Approved timesheets are immediately accessible to Law Absolute and uploaded into our payroll system

This ensures accuracy and timely payment.

The team has a proven track record of processing high volume projects and can set up candidates and placements quickly.

Dedicated Candidate Support

Candidates have access to a dedicated payroll email address, giving them a clear point of contact for any payroll-related queries throughout their assignment, reducing unnecessary delays.

Compliance You Can Trust

We ensure full compliance with the latest employment legislation and HMRC guidance, including all relevant tax and statutory deductions.

Where candidates choose to work through an umbrella company, we operate a strict Preferred Supplier List of reputable providers. Law Absolute is registered with SafeRec, allowing us to actively monitor compliance and protect both clients and candidates.

PAYE & Pension Assurance

All candidates on our PAYE payroll are enrolled in a compliant auto-enrolment pension scheme, ensuring statutory obligations are met consistently and responsibly.

Built on Strong Relationships

Our approach is grounded in excellent, long-term relationships with both clients and candidates — built on trust and a dependable service.
